Date of Passport Expiration:

When traveling to China you must have a “valid passport” for at least six months after your arrival date. You will also need to obtain a visa for this study tour. The International Qigong Foundation, Inc. will provide you with this information as well as the visa application form if leaving from the United States.

Please fill out this study tour application with your current passport information. You need to send a \$500 deposit with the application. Make all checks payable to The International Qigong Foundation, Inc. Once this is received you will be sent a full information packet!
